

## Care Team Coordinator Report – September Ministry Team Meeting

September 6, 2017

**Care Morning Tea for August** – Sue Brown from the Bible Society was our guest speaker. Sue had some wonderful resources to share with us including a special Aboriginal painting that was commissioned for the Bible Society's 200<sup>th</sup> Anniversary. Please visit the web site to have a look at the resources and an explanation of the wonderful art work. I'm in the process in contacting Sue to obtain some free bibles to be used in mission and outreach work.

**Care Morning Tea for September** – I will be away on holiday. Everything is organised. We will be meeting at Grace Crèche and Kindergarten to spend some time with Danielle, Karina and the children. Elma Claridge will be taking the lead on the day.

**Care Morning Tea for October** – The Team have discussed doing something centred around the 500<sup>th</sup> Anniversary of the Reformation. We will have to find some point of differentiation from all the other activities planned for that time.

**Care Morning Tea for November** – We will do something similar to last year. It will be an end of year party with a PowerPoint presentation of the year's events. This year I would like to include different congregational events as well as Care Team events.

**Portofino Fashion Parade 19/8** – There were fewer numbers than last year but the ladies attending were very generous in their spending. We raised \$768.10 and this will be donated to our little boy, Eddie, from Woody Point Special School.

**Framework of Ministry** – The Team and I have been working on this. A couple of submissions have been forwarded to M&V for consideration. We have been looking at our goals and strategies as well as refining the role of the Care Team Coordinator.

**Grace Web Site** – I have been working closely with Sam Hunt to develop the Care Team's section of the web site as well as the School Chaplaincy section. Everything is now advertised on the web site and I have attempted to follow up each event with an article and photos.

**Pastoral Care Visits** – These have been challenging the past month with several of the nursing homes affected by the influenza but everyone was visited twice during the month. There were a couple of extra hospital visits for Len Weis and Pat Kamp. Everyone has been advised that I will be away for two weeks on holiday.

Thank you to all who continue to support the Care Team in its ministry.
