

Care Team Coordinator Report – June 2018

Care Morning Tea for May – This was truly a blessing for us all. The students from Woody Point Special School had a wonderful time – they enjoyed some special treats, drew some masterpieces with members of the Congregation, had a great time running around the grounds of the Church (thanks to our new fence!) and enjoyed a tour and question time with Pastor Mark in the Church.

Care Morning Tea for June – We enjoyed some funny stories and watched some funny videos. Just a nice time to relax, smile and enjoy each other's company.

Care Morning Tea for July – Don't forget we have a special guest for this Morning Tea. Even though Warren will be at the following Sunday service, this is an opportunity to experience an in-depth presentation of Warren's work.

School Chaplaincy –

The 'Help Them Shine' Dinner was very successful this year, raising about \$42,000 for School Chaplaincy. Thank you to all Congregation members who attended or gave a donation. Chaplain Alan Gater has some health issues at the moment and is on sick leave for the rest of the school term. Could you please include him in your prayers.

The Team continue to visit congregational members on a regular basis, mainly those that are housebound or in aged care facilities. Pastor Mark, Werner Langer and myself regularly visit those congregation members who are unable to attend Sunday service and provide them with Holy Communion. This ministry will expand in the near future with several Congregation members unable to attend service any longer.

Blessings to you all
