

Care Team Coordinator Report – September 2018

Care Morning Tea for July – Everyone was very interested to hear about Cambodia when Warren and Marianne Schirmer visited in July. Several Congregation members know the Schirmers personally and our gathering was like a family reunion as well. Please remember them and the work they do in Cambodia in your prayers.

Meeting the Schirmers

Care Morning Tea for August – We shared many memories of visits to the Ekka over the years. Each generation was able to tell stories of what was happening at the Ekka when they were younger. Our memories were ‘jogged’ when we shared some of the treats that are part of Ekka fun – dagwood dogs and strawberry ice-creams! Everyone left with a special show bag as well.

Care Morning Tea for September –

This month we gathered at Grace Lutheran Crèche & Kindergarten for a visit with the staff and children. This was a great opportunity to see the wonderful care that the staff provide to the youngsters and to thank them for their work. The children were so excited to have visitors and hugs were shared by all. We also enjoyed the opportunity to get to know Hannah a little more. Special prayers for her as she begins her journey as our Family Ministry Chaplain.

School Chaplaincy – Welcome news that Chaplain Alan Gater has recovered from his recent illness and is back at work. It has been a fairly quiet term at the two Special Schools although Grace Congregation hosted a coffee shop last evening for the parents while their children attended the School disco. Also, once again we had two tables at the Clontarf State High School Chaplaincy High Tea at the beginning of September. The Hospitality students didn't disappoint, serving some delicious treats. We also met the new chaplain Jack Ahearn who will be working with Chaplain Lauren Anderson at the school.

Jack Ahearn and Lauren Anderson

Blessings to you all.
